Sugar Beach, A Viceroy Resort

### *Luxury Bahia Principe Cayo Levantado now family-friendly*

Bahia Principe Hotels & Resorts is rebranding its Luxury Bahia Principe Cayo Levantado from an adults-only property to a family-friendly resort, effective May 2018. Located on the postcard-perfect island of Cayo Levantado in Samana, D.R., the luxury-brand property offers beachfront Villa Playa accommodations with a balcony or terrace with hammock and outdoor whirlpool. The resort will be the brand's only luxury hotel that welcomes younger guests. Bahia Principe undertook a portfolio reclassification in December 2017. "This magical one-hotel island offers two private beaches, perfect for families to enjoy. The strategic decision to remove the adults-only restriction helps us to truly round out our expansive offering in Samana," said Helen Montijano, VP Sales and Marketing for the U.S. and Canada.
